## New Enrollment Application Window for Choice Schools

**The deadline to apply is December 2, 2019.**

This application is for a student who would like to enter the lottery to attend one of the following schools:

Edgewood Jr./Sr. High, Freedom 7 Elementary, South Lake Elementary, Stevenson Elementary, West Melbourne School for Science, or West Shore Jr./Sr. High.

For more information, please visit [www.eic.brevardschools.org](http://www.eic.brevardschools.org)

## FSA Writing Field Test

**Tuesday, November 19th - Grades 4, 5 6**

The purpose of the ELA Writing Field Test is to assess newly-developed writing prompts, which may be used on future operational assessments. Schools and students will not receive scores, no feedback will be provided, and in no way will this field test be used to determine student progression or the school grade. However, participation in the field test is an opportunity for your student to become familiar with the format of the writing component of the operational FSA ELA assessment that he or she will take in Spring 2020. Schools were randomly selected by the state to participate in the field test so this is a unique opportunity for Indialantic students and those at the other schools which were selected.
